INTERNATIONAL
AIRPORT**

AIR CARRIER GUIDE
ORLANDO INTERNATIONAL AIRPORT

SUMMARY OF CHARGES & REQUIREMENTS

General Requirements

+

In order to ensure that your new service into the Orlando market realizes the greatest likelihood of success, we are asking you to provide the following information. This information allows you to have all the pieces in place to generate the airport visibility you need for your passengers.

- **Operating Agreement**
Signatory Airline – Airline-Airport Lease & Use Agreement
Non Signatory Airline – Non-Signatory Airline Operating Agreement
- **Fuel System Fees**
- **Contract Security**
- **Insurance Certificate**
- **Airline Operating Certificates/Authority**
- **Flight Schedule Submission Form**
- **Landing Rights Approval – International Flights Only**
- **Artwork**
- **Sublease/Ground Handling Agreement**

Signatory Airline:**Lease & Use Agreement:**

To become a Signatory Airline, an airline must execute an Orlando International Airport, Airline-Airport Lease & Use Agreement that obligates the airline to lease at least one (1) preferential gate and other space in the terminal that is deemed sufficient by the Executive Director and totals at least 5,000 square feet of space.

Contract Security

An Airline that executes an Airport-Airline Lease & Use Agreement and has not provided regular passenger flights to and from Orlando International Airport for 18 months prior to the execution of the agreement must maintain a Contract Security. The Contract Security may be in the form of a contract bond, irrevocable letter of credit or other security acceptable to the Authority. The Contract Security would be in an amount equal to 3 months' fees and charges and must be maintained for a minimum of 18 months during which period the airline commits no event of default.

Insurance Certificate

Signatory Airline is required to provide the Authority with an original copy of an insurance certificate with evidence of:

- \$200,000,000 – Airline Liability/Commercial General Liability
- \$5,000,000 – Comprehensive Automobile Liability
- \$200,000,000 – Aircraft Liability
- \$1,000,000 – Business Automobile Liability
- Worker's Compensation
- Employer's Liability
- Umbrella Liability or Excess Liability

The insurance certificate will also be required to name the *Greater Orlando Aviation Authority* as additional insured:

Airline Operating Certificates/Authority

Provide a copy of government required Airline Operating Certificate or Authority

An airline must hold all necessary certificates or permits from appropriate federal or state agencies having jurisdiction to provide air transportation services on the routes it is serving to and from Orlando International Airport.

A list of current Signatory Airlines and contact information is found in the Attachment Section as Exhibit #1.

For further details, please contact the Commercial Properties Department at (407) 825-2369.

Non Signatory Airline:

Operating Agreement

To become a non-signatory airline, an airline must execute a Non-Signatory Airline Operating Agreement. Non-Signatory Airlines are classified as follows:

- a) Airlines providing scheduled service to the Airport
- b) Airlines operating from the Authority's Common Facilities
- c) Airlines operating from the facilities of a Fixed Base Operator (FBO)
- d) Cargo carriers using facilities other than the Terminal Facilities

Contract Security

An airline that executes a Non-Signatory Airline Operating agreement is required to provide a contract security to cover the estimated costs of either a complete season or highest three months consistent frequency operations. The minimum contract security deposit required is \$5,000.

Contract Security Requirement Formula

- (1) Maximum certified gross landing weight of aircraft operated by airline divided by 1,000, multiplied by
- (2) The current landing rate, multiplied by
- (3) The highest aggregate number of flights anticipated to be conducted as determined in the reasonable discretion of Authority, in any three of the next twelve months

For airlines using the Authority's common facilities or Federal Inspection Stations, the deposit will be based on, in addition to landing fees, the highest aggregate anticipated Facility Use Fees and FIS Fees payable to Authority, as determined in the reasonable discretion of Authority, in any three of the next twelve months.

Letters of credit on U.S. banks are the preferred form of security. For more information, call the Commercial Properties Department, (407) 825-2369.

Insurance Certificate

A Non Signatory Airline is required to provide the Authority with an original copy of an insurance certificate with evidence of:

- \$25,000,000 – Commercial General Liability
- \$5,000,000 – Comprehensive Automobile Liability
- Worker's Compensation
- Employer's Liability

The insurance certificate will also be required to name the *Greater Orlando Aviation Authority* as additional insured:

Airline Operating Certificates/Authority

Provide a copy of government required Airline Operating Certificate or Authority.

An airline must hold all necessary certificates or permits from appropriate federal or state agencies having jurisdiction to provide air transportation services on the routes it is serving to and from Orlando International Airport.

Flight Scheduling Requirements

Confirmation of flight schedules is based on timely receipt of schedule submissions on the Authority's form (Attached as Exhibit 2). **(Schedule Submission deadlines** each year are: for the April-October season **January 15** and for the November-March season **August 15**). Further information on scheduling can be obtained from the Terminal Operations - Airline Division at (407) 825-2052; SITA: MCOAPXH.

Landing Rights – International Flights Only

Provide confirmation of Landing Rights Approval by U.S. Customs and Border Protection. Orlando International Airport is considered a Landing Rights Airport. For more information about Landing Rights requirements, please contact U.S. Customs and Border Protection Supervisor at 407-825-4360 or FAX number 407-825-4369.

Monthly Landing Reports

Airline is required to provide the Authority with a Landing Report (attached as Exhibit 3) with the total number of enplaning and deplaning domestic and international passengers (including on-line and interline passengers), total pounds of domestic and international enplaned and deplaned mail, express and freight carried by airline and the number of landings by airline by type and series of aircraft. For further information, please contact Finance Department at (407) 825-2004.

Airline Artwork Requirements

Provide the Authority with company logo in camera ready format. If airline is using the Authority's Common Facilities please provide the airline logo in the following format in order for your airline logo to appear on the monitors above the common facilities ticket counters. Please submit a bitmap via e-mail or diskette. Below are the specifications required by the Authority's system. If you have further questions, please contact the Terminal Operations – Airline Division at (407) 825-2213.

Item	Format	File Name
Disk Format	PC-MS/DOS 1.44MB	
File Format	RGB Bitmap	
Number of Colors	16 (4 bit)	
Small Logo Resolution	160 x 50 pixels	(carrier-code)-s.bmp
Large Logo Resolution	640 x 140 pixels	(carrier-code)-l.bmp

Rates and Charges

The Authority's current rates and charges for Non-Signatory airlines are attached as Exhibit 4. In addition, the Authority has imposed a Passenger Facility Charge (PFC) of \$4.50 per enplaned passenger. The Authority's PFC reporting and remittance requirements are attached as Exhibit 5.

For additional information on Rates and Charges, contact Aviation Leasing at – (407) 825-2345. For additional information on Passenger Facility Charges, contact PFC Accountant – Finance Accounts Receivable – (407) 825-2004.

Fuel System Fees

The OIA Fuel System is operated by the Orlando Fuel Facilities, LLC on behalf of the Authority and the member airlines. All air carriers that use the Fuel System for storage or throughput fuel must have an agreement with the LLC. Aircraft Services International Group (ASIG) is under contract to the LLC to operate and maintain the Fuel System on behalf of the LLC. Contact the ASIG MCO Fuel Facility Manager at (407) 825-2529 for further information.

Fuel System Fees - The OIA Fuel System Lease Agreement between the Orlando Fuel Facilities, LLC and the Authority became effective on March 1, 2009. The fees charged to Members and Non-Contracting Users are stated on Exhibit 4.

Aeronautical Service Providers at MCO

As a new air carrier starting service in Orlando, you have a variety of options in the handling of your operation(s) at MCO. You may:

1. Elect to handle your own operations, with your own personnel
2. Elect to use a Signatory Airline (subject to Authority approval)
3. Choose an Authority approved Specialized Aeronautical Service Operator(s)

Authority approved Specialized Aeronautical Service Operator(s) may provide the following services:

1. Air Carrier Fueling
2. Line Maintenance Services
3. Ramp Services (above & below-the-wing)
4. Passenger Services
5. Air Cargo Services
6. Misplaced baggage delivery

Services, charges and other contractual items may be negotiated directly with the Aeronautical Service Operator(s).

List of Authority approved Service Providers and contact information is attached as Exhibit 6.

Station Representation

The Authority encourages carriers to be represented by a local station manager, as an enhancement to the tenancy relationship, as well as contributing to overall service quality. Representatives are invited to participate in several forums where airline interests can be represented and concerns addressed.

Starting at 8:30 am in the Greater Orlando Aviation Authority's Board Room (3rd level) on the 4th Thursday of each month the following three meetings occur in succession:

1. **Baggage Committee** – Chairperson, Mr. Hiosvany Muina, Copa Airlines, 407-825-4970.
2. **The Security Sub-Committee** – Chairperson, Mr. Mike Shiver, Airtran Airways, 407-825-2954.
3. **The Orlando Airline Station Managers Council** – Chairperson, Mr. Jason Annunziata, jetBlue Airways, 407-825-2128. Operational and other issues of mutual concern to airlines and their relationship with the Authority and the TSA are addressed. Associate membership is offered, under certain conditions, to non-signatory carriers.

Starting at 12:00 pm in the Greater Orlando Aviation Authority's Board Room (3rd level) on the 2nd Wednesday of each month, the following meeting is held:

1. **Terminal Operations Airline Division** (407-825-2213) hosts this meeting. Topics discussed relate to international airlines' use of airport facilities and the processing of international passengers through the Federal Inspection Station (FIS). Representatives from U.S. Customs and Border Protection and the TSA attend this session.

Tour Operator Information - please contact the Authority's Marketing Dept. at (407) 825-3132.

Employee Parking - The Authority provides parking for airline employees, including non-based crew. Parking permits and billing is handled through the Authority's Landside Administrative Services Office which may be reached at (407) 825-2622.

Employee ID Badges - Information on obtaining airport identification can be obtained by contacting (407) 825-2035. Completion of an Airfield Safety & Security Program (ASSP) class is required before ID badges are issued which allow access to secured areas. Classes may be scheduled by contacting Airside Operations at (407) 825-3817.

Permit Program - Any company or individual that requires unescorted access to do business at the airport will be required to execute a permit agreement with the Authority. Please contact the Commercial Properties Dept. at 407-825-2345 or 407-825-2369. This program does not include vendors who require occasional access to the airport.

Cargo Information

Orlando International Airport has a well-developed cargo infrastructure with space to expand. There is easy access to the Interstate and Expressway systems and frequent, non-stop air service to more U.S. markets than any other Florida city.

The following services are available:

- a. Fueling for all-cargo aircraft, including bonded fuel.
- b. All-cargo aircraft loading/unloading.
- c. Cargo warehousing, including handling, consolidation and forwarding.
- d. U.S. Customs/Agriculture inspection.
- e. U.S. Customs Centralized Examination Station.
- f. U.S. Department of Agriculture Plant Inspection Station.
- g. Local and long haul pick up and delivery service.

Other services, rates and other terms are negotiated directly with the providers. Ramp, handling, warehouse and other commercial space is available for lease from the Authority and third party developers.

Issues of mutual concern regarding cargo operational matters are addressed through the Tradeport Managers meetings and U.S. Customs and Border Protection periodic meetings. Attendance is open to all concerned with cargo.

For additional cargo information, please contact Commercial Properties Dept. at 407-825-7337.

Orlando International Airport
Schedule of
RATES AND CHARGES
Eff October 1, 2011

1) LANDING FEES

- Signatory \$1.4034 per 1,000 lbs. Maximum Gross Landed Weight (MGLW)
- Non-Signatory \$1.6139 per 1,000 lbs. Maximum Gross Landed Weight (MGLW)
- Cargo \$1.6139 per 1,000 lbs. Maximum Gross Landed Weight (MGLW)

2) COMMON FACILITY & FEDERAL INSPECTION STATION FEES

Common Facility / Fees

- These fees are charged to all users of the Authority's Common Facilities in accordance with the Authority's Common Use Facilities Operating Procedures.
- Turn Fees include all airside and landside facilities.
- Airside Facilities include the use of holdroom, apron, jetway, CUTE/CUSS, PC air, 400H and tug drive.
- Landside Facilities include the use of ticket counter, queue space, baggage claim, baggage make-up, baggage drop, curbside, tug drive and CUTE/CUSS.
- Common Use Facility Occupancy Times are as follows:
 - A Turn fee or Landside Only fee includes the use of 4 ticketing positions for 3 hours.
 - A Turn fee or Airside Only fees includes the use of a gate for 2 hours.
 - An Arrival Only fee includes the use of airside facilities as well as bag claim and bag drop for 1 hour.
 - A Departure Only fee includes the use of 4 ticketing positions and bag makeup for 3 hours and airside facilities for 1 hour.
 - Extended use of Facilities are subject to additional charges as published on page 2 of this document.

Facility Fee

Facility	Fee
Turn	767.00
Airside Only	391.00
Landside Only	376.00
Arrival Only	324.00
Departure Only	442.00

RON Fee (Remain Over Night parking fee)

Facility	Fee	Unit Charge
Gate	200.00	Every 12 hours or part there of
Remote	116.00	Every 12 hours or part there of

For additional information, contact:
Commercial Properties
407-825-2369 or 407-825-2345

Orlando International Airport
Schedule of
RATES AND CHARGES
Eff October 1, 2011

Federal Inspection Station (FIS) Fee

- \$3.00 per person onboard.
- This fee is charged to all international airlines using the Federal Inspection Station facilities. There may be additional charges imposed by US Customs and Border Protection. Refer to the Air Carrier Guide under the Business section on our website at www.orlandoairports.net for further information.

Fees for Additional Facilities and/or Extended Use

- If additional facilities are requested, based upon availability and the Authority's approval, the fees are as follows:

Facility	Fee	Daily Cap ⁽¹⁾	Unit Charge
One Ticketing Position	30.00	90.00	Per half hour or any part there of
Bag Make-Up (Pier)	112.00	336.00	Per hour or any part there of
Bag Claim	139.00	417.00	Per flight
Extended Gate Occupancy	195.00	n/a	Per hour or any part there of

(1) Daily Cap applies to Signatories only

- FIS Overtime charges for Off-Schedule International Flights:

	Commuter/ Narrow Body	Wide Body/ Jumbo
00 – 59 Minutes	\$0.00	\$0.00
60 – 119 Minutes	\$445.00	\$489.00
120 – 179 Minutes	\$667.00	\$733.00
180 Minutes and over	\$889.00	\$978.00

NOTICE: If off-schedule notification is received 48 hours prior to scheduled arrival, overtime charges will not apply.

3) PASSENGER FACILITY FEE (PFC)

- \$4.50 per enplaned passenger.
- The Authority reserves the right to increase Passenger Facility Fees in the future with proper notification to the airlines.

4) SECURITY FEES – CFR Title 49 Part 1542

- Contact your local Principle Security Inspector (PSI) for specific information on these fees.
- Currently, passenger screening at Orlando International Airport is being handled by the Transportation Security Administration (TSA).
- The Authority reserves the right to institute a security charge in the future with proper notification to the airlines.

Schedule of
RATES AND CHARGES
Eff October 1, 2011

8) PERMIT PROGRAM

This program requires all companies or individuals providing services on airport property to enter into a contractual-use agreement with the Authority. The Application for Permit form can be found in the Aeronautical Service Operator Minimum Standards, on the Greater Orlando Aviation Authority web site (www.orlandoairports.net) within the "Business" section.

The following fees apply:

1. Administrative Fee: \$ 250.00 (one-time fee).
2. Access Fee: \$1,500.00 (annual fee due upon execution and each renewal).
3. Concession Fee: Monthly reporting of 10% of gross receipts for services.
4. Security Deposit: \$500 minimum or the highest anticipated amount to be payable to the Authority for any 3 month period, whichever is greater.

9) Fuel System Fees

The OIA Fuel System Lease Agreement between the Orlando Fuel Facilities, LLC and the Authority became effective on January 1, 2011. The fees are charged as follows:

- **Hydrant Fuel System Fee** – a per gallon fee to utilize the hydrant fuel system at the Terminal gates. Currently set at \$0.0348 per gallon and collected by the LLC as agent for the Authority. A portion of the fee (\$0.01856) is retained by the LLC for rent, operations, and maintenance expenses for the Fuel System. The balance (\$0.01624) is remitted to the Authority.
- **Non-Hydrant Fuel System Fee** – The LLC is required to charge both Members and Non-Contracting Users a fee of \$0.025 per gallon for direct (into-plane) fueling through the Fuel System other than through use of the hydrant system. This fee is not applicable to FBO retail fuel sales.

Exhibit 5**Passenger Facility Charge
Summary of Collection and Remittance Procedures
Orlando International Airport**

This document is intended to advise air carriers and their agents of the required and recommended procedures for the collection and remittance of Passenger Facility Charges (PFC) to Orlando International Airport. This document is intended only as a guide; the Code of Federal Regulations (CFR 14 Part 158) as implemented by the Federal Aviation Administration is the standard for administering the PFC program, which governs in all respects.

1. Amount of PFC:

\$4.50 per enplaning passenger.

2. Collection period:

Beginning February 1, 1993 and continuing for a period in which the total authorized collection amount has been reached. Notice of the charge expiration date is provided in each of the PFC Application Notifications that are sent to each airline. The current charge expiration date is June 1, 2019 as indicated in the Notice to Collect Passenger Facility Charge # 07-11-C-00-MCO.

3. Collection of PFCs on tickets:

For each one-way trip shown on the complete itinerary of an air travel ticket, issuing air carriers and their agents shall collect a PFC from a passenger only for the first two airports where PFCs are imposed. For each round trip, a PFC shall be collected only for enplanements at the first two enplaning airports and the last two enplaning airports where PFCs are imposed. On international travel, the carrier is required to collect PFCs on tickets only for the last airport at which the passenger is enplaned prior to departure from the U.S. The air carrier and their agents shall collect the PFC based on the itinerary at the time of issuance. Any changes in the itinerary initiated by the passenger that requires an adjustment of the amount paid by the passenger are subject to collection and refund of the PFC as appropriate.

4. Handling of PFCs:

Collecting carriers and their collecting agents (PFC collectors) shall be responsible for all funds from the time of collection to remittance. PFC collectors shall establish and maintain a financial management system to account for PFCs. PFC revenue must be accounted for separately by PFC collectors, although the revenue may be commingled with the company's other sources of revenue.

The PFC revenue is to be regarded as trust funds held by PFC collectors as agents, for the beneficial interest of the public agencies imposing PFCs. All PFC revenue collected and held by the PFC collectors is property in which the collectors hold only a possessory interest and not an equitable interest. Each PFC collector shall be required to disclose the existence and amount of funds regarded as trust funds in its financial statements.

5. Collection compensation:

As compensation for collecting, handling and remitting the PFC revenue, the PFC collector shall be entitled to retain:

- (a) \$0.11 of each \$4.50 PFC remitted
- (b) Any interest or other investment return earned on PFC revenue between the time of collection and remittance to the public agency.

6. Remittance of PFC funds:

PFCs are to be remitted on a monthly basis no later than the last day of the following calendar month in which they were collected (or if that date falls on a weekend or holiday, the first business day thereafter).

Remittances should be sent to the following address:

Greater Orlando Aviation Authority
PFC Account
P.O. Box 917094
Orlando, FL 32891-7094

All remittances are to be made in U.S. dollars payable to the Greater Orlando Aviation Authority (GOAA) with "PFC funds" referenced on the remittance advise or check. Attached is a blank "Monthly Reporting Form" that should be submitted with each remittance. If a tour operator or air carrier agent is remitting PFC payments for an air carrier(s), the name(s) and amount collected for each air carrier should be indicated.

7. Reporting requirements:

Each air carrier and their agents that collect PFCs shall file quarterly reports with GOAA. A blank copy of a quarterly reporting form is attached. The report shall be filed on or before the last day of the calendar month following the end of each calendar quarter. The report may be faxed to the attention of the PFC Accountant, Revenue Control, Finance Department, Greater Orlando Aviation Authority, fax number (407) 825-2259.

8. Annual PFC Audits:

Each collecting carrier or carrier's agents that collect more than 50,000 PFCs annually shall provide for an audit at least annually of its PFC account. The audit shall be performed by an accredited independent public accountant and may be of limited scope. The accountant shall express an opinion on the fairness and reasonableness of the carrier's procedure for collecting, holding and dispersing PFC revenue. The opinion shall also address whether the quarterly reports fairly represent the net transactions in the PFC account.

The Greater Orlando Aviation Authority hereby requests a copy of each PFC audit that is performed on an annual basis. The audits should be sent to the attention of the PFC Accountant, Greater Orlando Aviation Authority, One Airport Blvd., Orlando, FL 32827.

9. Amendments to this policy:

The Authority has the right to supplement, amend or terminate this guide at any time.
